DESCRIPTION

2026 GMC Sierra 1500 Elevation

Meet the brand new 2026 GMC Sierra 1500 Elevation, now at Rosetown Mainline in Rosetown. Finished in a confident tan exterior with a clean black interior, this truck is built for drivers who want real V8 power, everyday comfort, and smart features that fit Saskatchewan life. Under the hood, the 2026 GMC Sierra 1500 Elevation is powered by a 5.3 L gas V8 paired with an automatic transmission. It delivers the smooth, steady response you want for commuting, hauling, and weekend plans. With the added engine block heater, it is ready for cold starts when winter hits. The cabin adds a premium touch with a power sunroof that brings in fresh air and natural light. You also get wireless charging to help keep your compatible phone powered up without extra cords. Outside, the included steps make it easier to climb in and out, which is a big plus for daily errands and family use. TRUCK FEATURES »...
